UI / UX Designer

01/2021 – 09/2023

- Designing the user experience also user interface and coordinating for a team dedicated to the redesign of a website focused on connecting users with real estate agents. <https://houmify.com/>

3. **Giftpals, United States**
UI / UX Designer

01/2021 – 09/2023

- Key role in conceptualizing the interaction design and experience for a website dedicated to facilitating the buying and selling of gift items. I was responsible for creating a visually engaging and intuitive design that seamlessly guided users through the process of selecting and exchanging goods intended for gifting purposes. After usability testing, it was found that this design improved user accessibility to results by up to 60%. <https://giftpals.com/>

4. **Rayan Kavesh Hirkan, Iran**
UI / UX Designer

02/2020 – 01/2021

- A dual role of UI/UX Designer and Project Manager for an application catering to municipal waste collection and recycling. This encompassed the design of two distinct Android mobile apps—one tailored for staff and the other for users. This project involved several elements to ensure a seamless user experience while concurrently overseeing the work of front-end developers.
- A comprehensive software solution aimed at delivering medical equipment and services to homes via two mobile apps (the user version and the staff version). My role involved ensuring an optimal user experience and User-centered design through thoughtful design while also Leading the various aspects of the project to guarantee its successful execution.

5. **Post Bank of Iran, Iran**
UX Consultant

10/2009 – 01/2020

- Head of bank representative offices for 8 years
- The UX consultant for the last two years to improve the bank counter processes and also ideation and design of communication software bridging cellphones and personal computers, ensuring a secure data transfer experience. My focus included crafting an intuitive interface for effortless interaction.
